Reference: Termination of Employment

Dear Mrs. Bailey,

After several lengthy discussions with legal counsel and the School District of Philadelphia, the Khepera Board of Trustees has determined that your employment with Khepera Charter school is terminated at the close of school business on Thursday November 4th 2004.

We are requesting that you surrender all records, keys and other related school information immediately to Mr. Richard Isaac.

It is the Boards' request that under no circumstances are you to enter the building or be on the grounds unless accompanied by the Board President. It is our hope that this can be done in a peaceful manner so that the mission and vision of Khepera Charter School continue.

Sincerely,

Richard Isaac, President
Board of Trustees
